## **SECURITY AGREEMENT (TRADEMARKS and PATENTS)**

This Security Agreement (Trademarks and Patents) is made as of March 31, 1999 by **UNISITE, INC.** ("**Debtor**"), a Delaware corporation having a place of business at 3450 Buschwood Park Drive, Suite 250, Tampa, FL 33618, in favor of **FLEET NATIONAL BANK**, as agent (in such capacity, together with its successors and assigns in such capacity, the "**Agent**") for the benefit of each of the financial institutions who are or who become Lenders under, and as defined in, the Credit Agreement referred to below (collectively with Lenders, the "**Secured Parties**").

### **1. Recitals.**

A. The Debtor, certain of the Secured Parties and the Agent are entering into a Credit Agreement of even date herewith (as the same may be amended, restated, renewed, replaced, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), pursuant to which certain of the Secured Parties are extending credit to the Debtor.

B. The Debtor is the owner of all right, title and interest, in and to the, (i) registrations and applications for registration of the trademarks and the trade names listed and described in **Schedule A** attached hereto, along with all assumed names used by Debtor (collectively, the "**Trademarks**") and (ii) registrations and applications for registration of the patents listed and described in **Schedule A** attached hereto (collectively, the "**Patents**"). Secured Parties, for the benefit of themselves, their successors and assigns, subject to the terms and agreements contained herein, wish to acquire a security interest in the Trademarks and Patents, together with all of the goodwill of the business in connection with which such Trademarks and Patents are used as security for the loans made by Secured Parties to Debtor under the Credit Agreement, and all other obligations of Secured Parties to Debtor, direct or indirect, absolute or contingent, secured or unsecured and now existing or hereafter arising (the "**Obligations**").

2. **Security Interest.** The Debtor does hereby grant to Agent on behalf of the Secured Parties and to each of the Secured Parties a security interest in the Trademarks and Patents listed on **Schedule A** hereto, together with all of the goodwill of the business in connection with which the Trademarks and Patents are used, all claims for damage by reason of infringement of any such Trademarks and Patents, and any and all proceeds of the Trademarks and Patents including personal property purchased with cash proceeds. The security interest hereby granted shall secure the Obligations.

3. **Further Assurances.** The Debtor hereby agrees to execute and sign, without further consideration, any other legal document and to do all other acts that may be appropriate and may reasonably be deemed necessary by Secured Parties fully to secure the

Secured Parties, their interests as aforesaid in and to said applications, or any part thereof, and in and to the Trademarks and Patents, or any of them. The Debtor further covenants and agrees that it will at any time, upon request, communicate to the Secured Parties, their successors, assigns or other legal representatives, any facts known to it relating to the Trademarks or Patents and any applications therefor.

4. Encumbrances. The Debtor does hereby covenant for itself and its legal representatives that it has not previously assigned, mortgaged or permitted any lien or encumbrance to exist with respect to any Trademark or Patent or granted any license to use the same outside of the ordinary course of business, and that in connection therewith, the Debtor will not henceforth assign, encumber or execute any instrument to that effect without the prior written consent of Secured Parties.

5. Use of Collateral. Until the Debtor shall be in default under **Section 6** hereof, Debtor may exercise any and all rights with respect to the Trademarks or Patents, including the right to pursue and enforce any and all claims for damage by reason of infringement of the Trademarks and Patents.

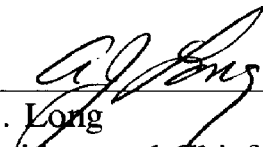

6. Default. The Debtor shall be in default hereunder upon the occurrence and during the continuation of any Event of Default under the Credit Agreement, or upon default by the Debtor in the performance of any covenant or condition contained herein. Notice of the time and place of any public sale, or of the date after which a private sale of the collateral granted to Secured Parties hereby, shall be deemed reasonable if given at least twenty (20) days before the date of any public sale or the date after which a private sale shall take place. The Secured Party may deduct from the proceeds of any such sale its costs and expenses of taking, holding and selling such collateral, including its reasonable attorneys' fees.

7. Release. Upon payment in full of the Obligations, the Secured Parties shall execute and deliver to the Debtor such instruments as may be necessary in order to fully release the security interests granted hereby.

IN WITNESS WHEREOF, the Debtor acting through its duly authorized officer has hereunto set his hand and seal as of the day and year first above written.
